

Lower your electricity bills, brighten up your future

**SUNRAYZ  
ENERGIES**

# About Us

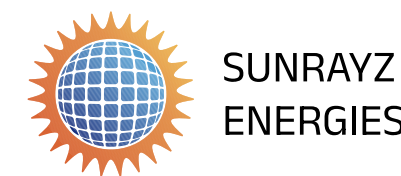

Sunrayz Energies, founded in 2018 is a leading provider of sustainable energy solutions, specializing in the design, installation, and maintenance of high-quality solar power systems.

We are dedicated to empowering individuals and businesses to embrace clean energy and reduce their environmental impact

# Our Services

## Solar Panel Installation:

We offer a wide range of residential, commercial, and industrial solar panel installation services, tailored to meet individual energy needs and budgets.

## Solar Powered Street Lights:

We provide high-quality, energy-efficient solar street lighting solutions for municipalities, businesses, and residential areas.

## Solar Powered Water Heaters:

We offer a variety of solar water heating systems for homes and businesses, reducing reliance on traditional energy sources and lowering energy costs.

# Our Projects

- **Mumbai:** Rooftop solar, commercial & residential, solar street lights.
- **Chandigarh:** Large-scale solar plant, solar water heating (govt. housing).
- **Nagpur:** Solar for education, solar irrigation (rural).
- **Nashik:** Solar for wineries/agriculture, solar street & traffic lights.
- **Pune:** Residential & commercial rooftop solar, extensive solar street lights.

# Our Mission & Vision

**Our mission** is to make clean energy accessible and affordable for all, while contributing to a healthier and more sustainable future.

**Our vision** is to be a recognized leader in the green energy sector, driving the transition to a renewable energy future.

# Our Values

**Sustainability:** We prioritize environmentally responsible practices in all aspects of our business.

**Innovation:** We continuously explore and implement cutting-edge technologies to enhance efficiency and performance.

**Customer Focus:** We are committed to providing exceptional customer service and ensuring customer satisfaction.
